Principal's Message

The beginning of a new semester for our high school students is a fresh start and reason for great optimism. Optimism is a crucial component of success and well-being. I am optimistic that the changes we have made to our timetable and the way we support our students will continue to support student learning.

During the final months of the school year, the dedication of students, parents, and staff pay off in terms of student learning. The growth that students demonstrate

over the course of school year keeps me optimistic!

We have many great events to look forward to, including graduation exercises for the Class of 2017 on Friday, May 26.

On Thursday, June 1, our middle school students will once again host the Soap Box Derby, which promises to be bigger and better than ever!

To all parents who wish to stay informed about the great things happening in our school, I encourage you to attend one of our Parent Advisory Council (PAC) meetings between now and the end of the year. The next PAC meeting takes place on Wednesday, February 15 at 6:30 p.m.

On Tuesday, March 7, we will be hosting a **Planning for the Future Meeting** to help us set the direction for the next 5 years at our school. The meeting will take place from 4:00 - 5:30 p.m. and all parents are welcome to join us. Child care will be provided - please watch the DCS website, Facebook page, and Twitter feed for further details.

As always, please contact me with any questions or concerns at 403-749-3838, or by e-mail thutchings@cesd73.ca

Sincerely,
Ted Hutchings, Principal

Chinook's Edge Values Guide Our Efforts at Every School

A Message from the Board of Education

It is highly gratifying in our role of Trustee, to have many opportunities to visit our schools and see that our division's values are at the core of every interaction with students. In Chinook's Edge, we worked together to build our mission and vision statements on core values that inform our work on behalf of the students we serve.

They guide our relationships at every level of our school division, and impact the potential of each student as an individual.

Our Mission and Vision statements are present in every classroom in our division, as a reminder to our students of the steadfast values that guide all of our efforts in Chinook's Edge. Our teachers and school staff recognize the uniqueness of every child in our care and encourage each one to achieve success. As Trustees, we are extremely proud of these efforts and priorities in our Chinook's Edge learning community.
