Principal's Message

I hope that everyone had an enjoyable Christmas holiday! I know that it was a great opportunity for me to spend time with friends and family.

We are nearly half way through the school year and things are moving along incredibly well. We are very pleased with how students have been using *Personal Learning Time* during the first semester.

Overall, our school-based work completion and achievement is greatly improved from previous years. We are confident that the additional time and support has been very beneficial for our students.

In the coming weeks, a wide number of things will be happening around the school. Our high school students are wrapping up the first semester by writing Provincial Achievement Tests (Grade 9), school-based final exams, and Diploma Exams (30 level courses). The exam schedule is posted on the school website and we encourage you to contact the school if you have any questions.

Accountability Pillar Surveys

Parents and students in Grades 4, 7, & 10 will be receiving an Accountability Pillar Survey from Alberta Learning. As an annual check-up on the education system, the Accountability Pillar provides an opportunity for Alberta

Education and school authorities to ensure that we are equipping students for success.

The Accountability Pillar uses a set of 16 indicators consisting of surveys of students, parents and teachers on various aspects of quality; student outcomes such as dropout and high school completion rates; and provincial assessments of student learning.

In January, parents of students in grades 4, 7 and 10 will receive a survey from Alberta Education. In February, students in grades 4, 7 and 10 and all teachers will be completing their surveys online at school. All surveys are anonymous and ask questions about experiences with the school. Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly.

Survey results will be available to school authorities in May 2017, and will be reported publicly as part of their 3-Year Education Plans and Annual Education Results Reports.

As always, please contact me with any questions or concerns at 403-749-3838, or by e-mail thutchings@cesd73.ca

Sincerely,

Ted Hutchings, Principal

Supporting Health and Wellness Priorities for Students and Staff

A Message from the Superintendent

The new year provides a perfect opportunity to re-energize the many efforts underway in our school division to support the health and well-being of our students, staff and families. We know that ensuring a healthy physical, social and emotional environment in our schools can

positively impact student performance and academic achievement, which allows students to reach their potential.

Alberta Education is determined to incorporate First Nations, Métis and Inuit (FNMI) perspectives in Alberta schools, which is a priority we share in Chinook's Edge. We are committed to honouring and celebrating Indigenous students and teachings. This enhances the cultural and academic experiences not only for our Indigenous students, but for all students who enter our facilities.

Under the guidance of our FNMI Steering Committee and our Learning Services team, part of this important work may involve introducing students to the culture and practices of the local Indigenous community through such activities as a Smudging Ceremony. For information on this learning activity, please refer to the Smudging Ceremony document under the Parent section of our website at www.cesd73.ca.

We are grateful to everyone whose efforts are supporting our quality learning priorities for all students, and we wish each of our Chinook's Edge families a happy and healthy new year.

Kurt Sacher

Superintendent of Schools

If you have a question for Superintendent Kurt Sacher or any Chinook's Edge Trustee, please visit the 'Parents Matter Question Box' link under the 'Board' tab on our website at www.cesd73.ca.
