Call to Order: 6:30pm

Ted Hutchings, Jane Pisko, Amanda Brockhoff, Colleen Butler, Carol Tovell, De Anne Hutchison, Cheryl Marek, Nikki Pivert

Review of Previous Minutes - Adopted as presented.

Trustee Report - Colleen Butler

There have been 4 positive Covid cases since the return to school.

We are glad students have returned to in class learning.

Close contact is varied on location. Bus is considered within 6 feet. Classroom setting, the whole class is considered close contact.

Close contacts situations: we have been following the AHS protocols, yet we are making many decisions on our own while erring on the side of caution.

If you feel inclined please reach out to your local MLA's about concerns.

School officials are being asked to make medical decisions. They are 100% not comfortable making quarantine decisions. These decisions should be taken off of our educators and put in the hands of healthcare professionals.

Admin & Staff Report - Ted Hutchings

Monthly Meeting Minutes

Treasurer Report- Jane Pisko adopted her report as presented.

Roberta Lans from the Deep Society contacted the school, they have offered to pay for the new score clock in the gym. They are also willing to contribute to the breakfast program and school rewards.

We could potentially support the school by purchasing seating for the students with our casino money.

Carryover of the budget will be okay as some activities are not able to happen.

DCS LED sign is broken again.

We as a society would like to have the sign repaired without the cost on the school. Image Signs should be accountable to their incompetence. The sign has been broken more than it has operated.

We count on this sign for community communication and school revenue.
