Budget will leave us at 1.2 million dollar deficit. We will be going into the reserve to cover regular costs, in addition to safety measures like hand sanitizer and signage.

Admin & Staff Report – Ted Hutchings

Delburne – one of the top schools for registered completion rate over a 6 year time span.

We are anticipating a non-typical back to school start.

School is plastered with signage; we will be working hard on public health with students.

Predict that not all students will be in attendance at once.

No large gatherings in the gym, number of students in classrooms, change rooms and restrooms will need addressed.

Official announcement will be August 1st. There are lots of unknowns right now. Things we know now may look different by August.

School can be held liable if not following AHS guidelines (2M distancing)

AHS support has been slashed.

Hot Lunch Update – On hold for now, along with the breakfast table.
