Call to Order: 6:32pm

Ted Hutchings, Jane Pisko, Amanda Brockhoff, Colleen Butler, Cheryl Marek, Courtney Fabre-Gillespie

Review of Previous Minutes - Ted motioned the minutes be adopted as presented.

Trustee Report - Colleen Butler

Chinooks Edge has decided not to pilot the new curriculum. The review came out as weak or very weak. They have offered to work with the government on the curriculum but not to pilot it. Teachers will already be trying to catch students up and do not need the added strain of the new curriculum. All big school boards have said no.

Moving forward we are going back to online learning due to the updated health order for two weeks.

Ted - pleased to hear the school board made the decision they did. Content and development were not up to par. 50 of 61 boards have said no so far.

Admin & Staff Report - Ted Hutchings

It was a tough last month.

Covid spread quickly and had a big impact. Thankful for his team during these times.

The grade 9 class shut down the whole high school due to staff in close contact. AHS was better this time at notifying. We are hopeful to be back after May long.

Graduation has been pushed back to June 25<sup>th</sup> to help by us some time and to plane. We will do as much as we can, speeches and coming in formal wear should be possible as long as grads are not in isolation.

Hot Lunch -Cobbelstone hot lunch was not smooth and efficient. Refunds have been sent out.

New Business- Grade 7 are doing food trucks. Grade 8 class had a soap box dry run yesterday.
