Principal's Message

As we move into the last two months of what has been a challenging school year, I want to repeat my thanks to our students, parents, and staff. The week before Spring Break was certainly challenging, and everyone came together to make the best of a tough situation. The honesty and understanding shown by everyone definitely helped us act quickly and communicate clearly. I am hopeful that the last two months will be free of interruptions and full of quality learning!

As always, if you have any questions, please contact me directly at 403-749-3838 or email thutchings@cesd73.ca.

Sincerely,
Ted Hutchings, Principal

Strong Leadership at Every Level Sets Students and Staff Up for Success

A Message from the Board of Trustees

Supporting the growth of our Leaders has always been a priority for Chinook's Edge and there has never been a greater need for exceptional leadership than this past year. Trustees are proud that our classroom, school and division office leaders are determined to ensure our work of teaching and learning is continuing successfully. We are so grateful for their efforts.

Without a doubt, leadership extends to parents who are leading the learning from home when called upon. We can see that our Chinook's Edge culture of caring, collaboration and respect is present in our shared resolve to move learning forward for our students. We have witnessed evidence of hard work and goodwill in all of our school communities and appreciate leadership at all levels that come together to support students.

We would be remiss when speaking of leadership not to mention that the culture of leadership comes from the top. It is with extreme pride that we take a moment to recognize Kurt Sacher and the recent announcement that he has received the EXL Award for Excellence in School System Leadership from the College of Alberta School Superintendents. Kurt has a gift at building relationships. He is passionate about his work and authentically cares about students, staff and families.

It is these leadership qualities that ensure Chinook's Edge is the division where students come first.

Chair Holly Bilton,

Tabs for Tots

Delburne School is helping our local Elks collect tabs off of beverage cans for its *Tabs for Tots* program run through the Alberta Elks Foundation. The tabs are sold for scrap and the funds collected are allocated to help local hospitals and health care units for Pediatric Care and Equipment. The items are typically intended for delivery rooms, nurseries or pediatric wards.
PULL-COLLECT-DONATE!

Welcome to CESD Summer School!

Chinook's Edge School Division is proud to offer summer school programming in three communities, making it convenient for students to take courses for credit. Summer School is available in Innisfail, Sylvan Lake and Olds. Students work under the guidance and supervision of teachers who provide assistance when needed. Because the semester is extremely condensed, daily attendance is required.

All core high school courses are offered. No charge for Chinook's Edge students. Program runs 8:30am-12:45pm, Monday to Friday from July 2-28, 2021.

All students currently enrolled in high school or will be entering Grade 10 in September 2021 are eligible.

Call Chinook's Edge at 403-227-7070 or visit www.cesd73.ca for more information.

Visitors to the School

All visitors to the school **MUST** wear a face covering when entering, exiting, and moving through shared spaces. To limit the number of people entering and exiting the building, we are asking that parents adopt a modified routine for dropping off and picking up student materials. If you need to drop off or pick up something during the school day, please call the school office at 403-749-3838 and one of our staff members will come out to meet you.

ABOUT **Coronavirus**

What is Coronavirus?

Coronavirus or COVID-19 is a virus that affects the respiratory system (lungs, nose, mouth, throat, bronchi, and all other body parts involved in breathing). It is passed from person to person through droplets from sneezes, coughs, runny noses, and saliva. So if someone sneezes on their hand and touches a bathroom door handle, and then another person touches that same bathroom door handle and then touch their face, they can become infected with the virus. This is why it is so important to wash our hands and avoid touching our faces!

What should I do to stay safe?

1. Wash your hands often and before you eat. Wash them for at least 20 seconds and make sure you get the space in between your fingers and the backs of your hands clean!
2. Try to avoid touching your nose, mouth, eyes, and whole face with unwashed hands.
3. Practice healthy habits! Eat healthy foods, drink lots of water, get some exercise, and get plenty of sleep.
4. If you need to sneeze or cough, sneeze into a tissue or the inside of your elbow.
5. Follow directions from the trusted adults in your life. They want to take care of you!
