Welcome to CESD Summer School!

Chinook's Edge School Division is proud to offer summer school programming in three communities, making it convenient for students to take courses for credit. Summer School is available in Innisfail, Sylvan Lake and Olds. Students work under the guidance and supervision of teachers who provide assistance when needed. Because the semester is extremely condensed, daily attendance is required.

All core high school courses are offered. No charge for

Chinook's Edge students. Program runs 8:30am-12:45pm, Monday to Friday from July 2-28, 2021.

All students currently enrolled in high school or will be entering Grade 10 in September 2021 are eligible.

Call Chinook's Edge at 403-556-8606 or visit www.cesd73.ca for more information.

Principal's Message

It's hard to believe that June will be here next week. I would like to thank all of our students, parents and staff for the flexibility and understanding they have demonstrated throughout the school year. We have faced many challenges, learned many lessons, and we are hopeful that the coming year will be much better. I encourage anyone who is interested to join our May PAC meeting online Thursday, May 27. I will be providing an update regarding our plans for next year (to the best of our knowledge, at this point in time!)

As always, if you have any questions, please contact me directly at 403-749-3838 or email thutchings@cesd73.ca.

Sincerely,
Ted Hutchings, Principal

Ensuring the Highest Levels of Safety

A Message from the Superintendent

As we enter into the second spring of the pandemic, we are exceedingly grateful to everyone in our school communities for working to maintain our high standards of safety. While our diligent attention to safety continues to be practiced in every classroom and in every building throughout our division, this year the pressing need to work within COVID-19 restrictions has required an extra effort from everyone.

In Chinook's Edge our staff and students are mindful of maintaining

the detailed safety protocols that are embedded in our division culture. This means that, while we all deal with the ebb and flow that the pandemic has required of us, our attention to our safety program is unchanged. Chinook's Edge has continued to achieve COR (Certificate of Recognition) status for multiple years, as we surpass the required safety standards in our schools and departments. We insist on optimum safety, because we care about the people in our buildings – our students, staff, parents and volunteers – and because it's the right thing to do.

We do want to acknowledge the efforts of our parents and volunteers, who have been creative in finding virtual ways to reach out and support our schools despite the restrictions on in-school visits. We had this goodwill in mind during the recent National Volunteer Week, as we continue to move forward together with caring and compassion.

Kurt Sacher
Superintendent

Tabs for Tots

Delburne School is helping our local Elks collect tabs off of beverage cans for its *Tabs for Tots* program run through the Alberta Elks Foundation. The tabs are sold for scrap and the funds collected are allocated to help local hospitals and health care units for Pediatric Care and Equipment. The items are typically intended for delivery rooms, nurseries or pediatric wards. PULL-COLLECT-DONATE!

Visitors to the School

All visitors to the school **MUST** wear a face covering when entering, exiting, and moving through shared spaces. To limit

the number of people entering and exiting the building, we are asking that parents adopt a modified routine for dropping off and picking up student materials. If you need to drop off or pick up something during the school day, please call the school office at 403-749-3838 and one of our staff members will come out to meet you.
