

Delburne Centralized School

Weekly Update

September 16, 2022

PRINCIPAL'S MESSAGE

Our week has been filled with a great deal of learning, athletics and outdoor adventures! The High School Outdoor Education class enjoyed a hiking and a biking trip, our Grade 2-8 students have started their Run Club and our Senior High Golf Team and Volleyball teams have been busy practicing throughout the week. The Senior High Girls' and Boys' volleyball teams will compete in a tournament this weekend at Red Deer Polytechnic and the Senior High Golf Team will compete in a tournament in Camrose on Monday. Good luck to all of our athletes!

COLLABORATIVE DAYS

Once again, you will notice that we have "Collaborative Days" built into the school year. The purpose of the Collaborative Days is to allow our teachers to connect with fellow colleagues as well as colleagues in different schools. The collaboration time is focused on the implementation of new curriculum, the analysis of numeracy and literacy data and the development of pedagogy and instructional strategies. Friday, September 23 is our first Collaborative Day of the year. On this day, the teachers at Delburne School will travel to Olds so we can meet, plan and collaborate with other teachers from our K-12 schools within the Division.

MOMENT OF SILENCE ON MONDAY

Chinook's Edge respectfully honours the life and legacy of Her Majesty Queen Elizabeth II. On Monday, September 19 Delburne Centralized School will start the day by the playing of Oh Canada and the sharing of a moment of silence.

Back to School BBQ

Just a quick reminder that our Back to School BBQ will take place this Wednesday (September 21st). Parent Council will be joining us and will be providing dessert, face painting and glitter tattoos. They will also share information about how to get involved with the Delburne Parent Council. There will be two volleyball games happening that evening as well. Our Senior Girls will play at 6:00 and our Senior boys will play at 7:30 . Be sure to pop into our gym to cheer them on!

DEMOGRAPHICS AND SELECTING TEXTS

Annual Demographic forms have been emailed out. Please complete these as it is important for the school to have the most up to date information. Don't forget to sign up for alerts under the School Messenger Information. Weekly messages will be sent. Please contact Kathy if you have questions.
