LITERACY FOCUS at DCS

We are very excited about the strong focus on literacy within our school. Students are taking part in reading assessments, Buddy Reading, one-on-one reading and a wide variety of classroom literacy activities. Literacy skills serve as an important foundation for all learning so we will continue to build student capacity and understanding in this area as we move forward.

PARENT TEACHER INTERVIEWS

We would like to thank everyone for taking the time to attend our Parent Teacher Interviews. Parents and teachers had a chance to connect and discuss each student on a personal and academic level. Building this relationship and wrap around approach with our parents, allows us to see such strong student growth and development.

FUNDRAISER UPDATE

Fundraising is here! We are busy sorting and will get it out to our students as soon as possible. Please go through your orders and notify Tasha if there are missing or damaged products, questions or concerns.
