HIGH SCHOOL LEADERSHIP FIELD TRIP

We are excited to present a wonderful opportunity for our High School Leadership students. On Wednesday, March 29 the Leadership students will be traveling to Red Deer for two different opportunities. We will first visit the Red Deer Food Bank where students will help to sort and organize food, restock shelves and create food hampers for those in need. The second visit will be to the Ronald McDonald House (RMH) where students will be taking part in the "Home for Dinner" program. This program provides home cooked meals for families who are staying at the facility while their child receives medical care at the Red Deer Regional Hospital. Our Delburne Leadership students will work together to prepare, cook and serve a meal to help provide support to families spending time at RMH.

CAREER CONNECTIONS

Ms. Ray is our career counselor in the school. There are some excellent resources available to students in grades 10 - 12. We wanted to make you aware that each grade has a Google Classroom setup with important information related to post-secondary education.
