### ADMIN SUPPORT

As many of you are aware, Kathy Huston is retiring at the end of this school year. Kathy will be greatly missed, as she has not only provided knowledge and expertise but also a passion for our school and our community at large. We wish Kathy all the best in her retirement.

With this retirement, Mrs. Kim Page will move into Kathy's role. Kathy is sharing her vast knowledge and expertise to set Kim up for success as she moves into this new role next year.

Finally, with this movement within our building, we are very excited to welcome Mrs. Jill Bellerive to our school as a Full Time Finance Administrator next year. Jill is transferring from Elnora School to join our DCS team. Jill comes to us with a wealth of experience from Elnora School where she was in the financial admin support position in Elnora for the past several years. Jill's knowledge and expertise in the area of finance and Chinook's Edge systems and procedures will prove to be very beneficial to our school environment. Welcome to the team, Jill!

### PRINCIPAL EVALUATION: PARENT SURVEY

I have one more survey that I would like you to complete. I think this should be the last one for the year!! As this is my first year at Delburne School, I would appreciate it if you took a few moments to complete a parent survey as part of my evaluation. This will provide me with important feedback pertaining to my past few months at DCS and will help to guide me as we move into next year. The survey needs to be completed by Friday, April 28th. Thank you in advance for taking time to complete this survey.

### ANNUAL RE-ENROLLMENT AND CONSENT

In Mid August Chinook's Edge will be sending home your Annual Demographic Update which will be called "Annual Re Enrollment and Consents" for the 2023-2024 year. The form will need to be completed and submitted prior to the start of the school year.

The form will ensure your registration and certain consents for the upcoming school year. We have combined forms together into one to make the start of the school year a little easier for you. The form contains a **Walking field trip, Technology, Media and FOIP consents that has to be completed every year before your child can participate in these activities.**

We are wanting parents and guardians to ensure that they can sign into their PowerSchool parent portal account before the end of the year. If you are having troubles with your username or password, please contact your school before the end of May to get help.

This is for all Kindergarten to grade 12 students.

If you have verified that you can sign in, please disregard this message.
