### K - 6 FUN IN THE SUN

On Friday, June 16th the grade 3 to 6 students will take part in the fun in the sun day. They get to participate in events such as High Jump, 100 m, Shot Put and other track related activities. Then in the afternoon, the K - 6 students will participate in races, baseball and soccer. We encourage students to dress for the weather, ensuring they have lots of water, sunscreen and snacks. Thanks to Mr. Westwood and Ms. Abbott for organizing these awesome activities for our students.

### AG KNOW MENTAL HEALTH RESOURCE

Whether it's accessing resources for yourself, or pointing a farmer in the right direction, AgKnow is your key partner in the evolving landscape of farm mental health. Our vision is to create a shift in farming culture to one where caring for mental health is a natural part of farm life. We want to increase resilience in farming communities, de-stigmatize mental health, reduce barriers to services, and stay relevant and current with the issues impacting the agriculture industry in Alberta.
