THANK YOU TO THE DEEP SOCIETY

The DEEP (Delburne Economic Expansion Program) Society is an organization that supports community projects and initiatives. We would like to extend a special thank you to this society for their very generous donation to our new score clock in the large gymnasium. This score clock has been heavily used over the past few months and has been an important part of our athletic program. Purchasing this new score clock for our school would not have been possible without the support of the DEEP Society. Thank you so much!!

THANK YOU TO PARENT COUNCIL

A huge thank you to the Delburne School Parent Council for their support over this past year!! Our Parent Council group is an amazing group of individuals who work to support our school and our students. This year, our Parent Council provided support in the following areas:

- High School Awards
- Field Trip Subsidies
- Athletics
- Graduation Caps
- Soap Box Derby
- Back to School BBQ
- Playground Resources
- Classroom Events
- Ghost Ryders
- 3-D Printer

THANK YOU TO EQUUS

A huge thank you is extended to EQUUS for their generous donation of \$5000 so our school can purchase two Gaga pits to add another engaging element to our two playgrounds!

What is a Gaga Pit you ask? Gaga ball is a fast-paced dodgeball game captivating playgrounds across the country. The game is played in an octagonal or hexagonal pit. The walls of the pit serve as boundaries, and players must stay inside the pit while playing. If a player is hit by the soft foam ball or if they hit the ball out of bounds, they are eliminated from the game. The last player remaining in the pit is the winner.

Gaga ball is popular among children, teenagers, and adults alike because it is easy to learn, requires minimal equipment, and promotes physical activity and social interaction. It is commonly played in schools, camps, community centers, and recreational areas. We can't wait to see this game in action next year!!! Thank you Equus for your generous donation to keep kids active and engaged at DCS!

LAST DAY OF CLASSES

With the end of the year fast approaching, students are busy preparing for upcoming final exams and diplomas. Please note that the last day of classes for Junior and Senior High classes will be on Tuesday, June 20th. Exams will be written over the next two weeks with the final day of school falling on Tuesday, June 27th.

Please note that year end report cards will be going home on Tuesday, June 27. A printed copy of the report card will be sent home for all students in Kindergarten-Grade 8 and report cards for Grades 9-12 can be found online through Powerschool. If you have a child in Kindergarten-Grade 8 and he or she is unable to pick up their report card, please note that it will be mailed to you and it will include a copy of next year's school supply list. If you have any questions regarding report cards, please do not hesitate to connect with your child's classroom teacher.

Thank you to our students for their continual hard work, dedication and commitment to their academics!

We look forward to welcoming students back to school on Tuesday, September 5, 2023.

STAFFING CORRECTION

We would like to apologize as two Educational Assistants were missed on last week's staffing update. When we were reformatting the *Friday Update* document, the two names somehow got deleted. We are excited to have Rachel Hughes and Krystal Stackniak join us once again for the 2023/2024 school year! We apologize for the error.

INDIGENOUS PEOPLES DAY

On June 21 it is National Indigenous Peoples Day. To honor the day, we have Little Lights Yoga and Dean, a traditional knowledge keeper, coming to our building. Dean will share the Seven Sacred Teachings while Jamie leads yoga poses related to his teachings and drummings.

MIDDLE SCHOOL AWARDS

On Monday, June 19 our grade 6 - 8 students will be recognized at the Evening of Excellence ceremony. The students receiving an award have received an invitation to attend. We look forward to seeing those students and their families on Monday at 6:30 p.m.
