### RUNNING CLUB

For the next few weeks, while the weather is nice, we will be hosting a cross-country running club for interested students in grades 2-6. The grade 2-6 students will meet during the lunch break to go for a long-distance run around the school and nearby community. The grade 2 students will run on Tuesday's, grade 3 and 4's on Wednesdays, while grades 5-6 will run on Thursday's. The purpose of the club will be to encourage students to increase their level of physical activity and to foster a positive attitude towards physical activity.

The students will run during their morning recess and then come inside and head to class. On running days, please have your child wear clothes and footwear to school that are suitable for running.

Also, there is typically an Elementary Fun Run being held in Innisfail at Centennial Park at the beginning of October. We would like to attend this event with the students in grade 2-6 who have been attending and actively participating in our running club sessions. More info to follow.

We typically have a running club T-shirt to wear during the race, but would instead like to encourage parents to order online through the new logo. Due date is Sept. 19 with an approximate arrival time on October 13th. <https://dcsspiritwear2023.itemorder.com/>

There will be a \$15.00 Crosscountry fee that needs to be paid online to cover some busing costs. Our fundraising program will cover any additional costs.

If you have any questions or concerns about this trip, please contact us.
