## Weekly Update

September 29, 2023

### SCHOOL MESSAGE

The first month of school has truly flown by! September has been filled with students re-connecting, a focus on academics, time outdoors enjoying the beautiful weather and a wide variety of activities! The structures, routines and expectations that have already been put in place will allow for success and growth throughout the upcoming school year.

### CENAA FUN RUN

Students in Grade 2 - 6 who are a part of Run Club, will head to Innisfail for the annual CENAA Run. Please note that the field trip forms went out to these students. This is always a highlight for our students who attend this event.

### PAC UPDATE

Please don't forget the veggie fundraiser is wrapping up on October 2nd.

**Pick Up will be on October 17th, from 3:00-6:00 at the school.**

The funds raised by PAC are to support our students in a variety of ways from field trip bussing, to subsidizing sports, high school awards, and even helping out with playground equipment. The support is greatly appreciated!

### CAREERS

WISEST presents the annual SET Conference (a Science, Engineering and TEchnology experience) on Saturday, November 25th for women in grade 10-12 who are curious about careers in science, engineering and technology. The conference is at the University of Alberta and is only \$50 but there are some subsidies for rural students. If you are interested please see Ms.Ray or go to [www.uab.ca/WISEST](http://www.uab.ca/WISEST) for more information and to register.

### DUAL CREDIT

Some students within our building started an exciting program called TEC 1000, where they attend Olds College. The students will receive both high school and college credits while gaining an understanding of apprenticeship safety, shop procedures and practices. In this program, students will learn the use and care of selected measuring, hand and power tools, workplace safety and common industry practices. What an amazing introduction to the trades!

In addition, we have a number of students taking online dual credit college courses where they receive both high school and college credits. Students are involved in courses such as: Solving Technology Problems, Intro to Veterinary Profession, Intro to Sports Management and Accounting Principals. We are so proud of our students for pursuing further education while still in high school.

## Weekly Update

### HIGH SCHOOL AWARDS NIGHT

We are excited to celebrate our High School students at our annual Awards Night this evening, September 29th, at 7:00 p.m. in the small gymnasium.

### SCHOOL PHOTOS

The upload process for school photos has had an unexpected delay and proofs will not be available until October 9. We will extend the order deadline for free shipping to October 16 in order for parents to receive the discount offer. Sorry for the inconvenience this may cause.

Re-take day will be November 8.

### HOT DOGS AND HOT LUNCH

Hot Lunch is available online to order. <https://www.studentquickpay.com/chinook/>

## Weekly Update

### ~SOCKTOBER~

Dear students and parents;

Starting on October 2nd, Delburne High School's Leadership team is inviting you to donate **new** socks of all colors and sizes for people in need. These socks will be packaged carefully and sent out to shelters across Central Alberta to help those in need stay warm during these chilly months ahead.

Feel free to donate as many or as little as you would like.

**Donations must be brought into Delburne School before Monday October 23rd.**

On behalf of the leadership team here at Delburne, we thank you in advance for your generous donation.

**\*All socks must be brand new\***
