Weekly Update

September 20, 2023

With the new school year up and running, Delburne Parent Advisory Council has started planning for their second annual Silent Auction Fundraiser. Through the generous support of donors, last year we were able to raise \$1886 to support Delburne Centralized School.

What does DPAC do? We support Delburne Centralized School by providing funds to enhance the school experience for students. We help cover costs for students looking to join sports, we sponsor academic awards, provide busing for field trips, and supply the school with playground resources just to name a few.

To ensure this year's event is successful, we are seeking donations of items for our auction. We accept a variety of products from gift cards, experiences, monetary donations, new items, and handmade items. All sponsors and donors will be acknowledged during the auction and on our Facebook page.

This is a great opportunity for your business to gain exposure in our community while supporting a worthwhile organization. We look forward to your support as we hope to make this another successful year! We are looking to have all donations in by December 1, 2023 and the Silent Auction will be finished December 14, 2023.

If you would like to donate you can drop off items at the front office at Delburne Centralized School or email delburneparentadvisorycouncil@gmail.com to arrange pickup. Please include your name/business, item value, your mailing address and whether you will require a tax receipt. You may use the included tag for your donation if you wish.

Thank you for your support!
