### TRACK AND FIELD UPDATES K - 12

Congratulations to our provincial track stars! Jaidyn Gordon competed impressively in triple jump, and Matthew Rathapilly brought home provincial gold in discus! A huge thank you goes out to Mr. Smith, Mr. Harke, and Mr. Schultz for their outstanding coaching of our senior high athletes.

Good luck to all Junior High track athletes competing in CENAA on Tuesday! Thank you to Mrs. Kozey and Mrs. Schlag for their coaching and support.

Our K-6 Track and Field afternoon is set for June 11, 12:30-3:00 PM. Please note the rainout date is June 18. Special thanks to Mr. Smith and his high school helpers for organizing.

### JUMPSTART HIGH SCHOOL = FREE CHROME BOOK

We are excited to let you know that CESD will be offering **Jumpstart High School again this summer**. This is the program where, if students complete 6 credits of Com Tech, they will receive a brand new Chromebook that is theirs to keep forever. It's an incredible opportunity for kids to earn their own personal device to use throughout high school and post-secondary.

- The program is intended for any student who will be attending a CESD high school in September in grade 10, grade 11, or grade 12.

#### GRADE 9 - IMPORTANT INFORMATION

- Please note that ALL grade 9 students have been registered already this year and will begin working on the course during their English class after their ELA Part B PAT.
- They will try to complete INF 1030 in class. Once INF 1030 is completed, they will select their five remaining courses to complete to earn credits and a FREE Chromebook.

#### GRADE 10 and 11 - Information

1. Students in grade 10 or 11 can register any time by going to <http://jumpstart.cesdhub.com>. They will select 6 courses and will enroll in the courses they request.
2. Jumpstart will be delivered through Google Classroom.
3. ALL STUDENTS who are taking a Jumpstart course must view the [introductory video](#). This video comprises the first hour of instruction for Jumpstart, and its viewing is mandatory for every student. This video has an accompanying Google Form to ensure that students watch and pay attention. This video contains all the details they need to know to be a successful participant in Jumpstart.
4. Jumpstart will begin on June 13. All grade 9 students will have access to the introductory video through Google Classroom prior to June 13. On June 13, the learning content will be populated into the INF 1030 Google Classrooms for students to begin work when it is time for them to do so.
5. The deadline to complete the courses for Jumpstart is July 24 at 11:59:59 and this deadline is set by Alberta Education, so extensions are not feasible.

**BE SURE TO USE A CESD EMAIL TO LOGIN TO THIS PROGRAM.**  
**STUDENTS MUST REGISTER FOR AND COMPLETE 6 CREDITS WORTH OF COURSES TO**  
**RECEIVE A CHROMEBOOK**
